

Hi Fabian,

Thank you so much for the beautiful engraved plate for Tiffany's 1st place trophy. She was speechless when I showed her what you had done for her. Tiffany was just "WOW WOW it's beautiful". My first trophy to show everyone my hard work in golf. Mike really appreciates it too. This really encourages each child to dedicate themselves to learning the techniques of what golf is all about. Her trophy will be displayed with pride in our house.

Thank you again. Have a great weekend.

Warmly,  
Cynthia Wong
